

# EXCURSIONS AND REGULAR OUTINGS POLICY

## **POLICY RATIONALE**

Gordon OHSC may include excursions and regular outings as a valuable part of our service. This policy provides a set of clear guidelines and procedures to:

- Strengthen safety, legislative, regulatory and ethical standards for children participating in our programs;
- Communicate to Gordon OHSC Staff and Volunteers the organisational expectations and standards in providing and supervising excursions and regular outings.

## **POLICY STATEMENT**

In delivering excursions and regular outings, Gordon OHSC commits:

- To planning all experiences with the needs and interests of children as a priority consideration.
- To planning all experiences in a manner that offers children a variety of learning and development Opportunities

## **EXCURSION AND REGULAR OUTINGS PROCEDURES**

- Any excursion, incursion or routine outing must be carefully planned, ensuring that a risk assessment is conducted before authorisation is sought before each child can participate in compliance with Regulation 100 and Regulation 101 of the Education and Care Service National Regulations (2011).
- These assessments consider any foreseeable risks associated with the outing. Furthermore, risk mitigation strategies and/or how risk will be minimised and/or managed are documented and communicated. The risk assessment process also documents the Excursion and/or Regular Outing specifics including ratios, children's activities, length of stay, transportation to and from venue etc. (R101). This process ensures all information is shared with families well before children participate in activities and before families are requested to provide authorization for the Excursion and/or Regular Outing.
- Excursions and incursion activities will be designed to expand children's understanding of the community and appreciation of the world around them.
- Written authorisation for Excursions and Regular Outings is obtained from all parents/guardians and/or authorised nominees. This documentation process includes providing access to information about the nature and specific details of Excursions and Regular Outings for their child (R102).
- The Excursion and Regular Outing risk assessments including site visits are overseen by the Gordon PS school Council and the Principal..

- The risk assessment includes all relevant information, and any risk mitigation strategies are communicated by the Program Planning Manager to relevant Gordon OHSC Service coordinator/Director in working towards a safe experience for children.
- All Gordon OHSC educators wear an easy to identify uniform at all times on excursions and regular outings.
- Excursions may be cancelled if weather conditions are inappropriate for the planned activity.

## **REGULAR OUTINGS SPECIFIC INFORMATION AND PROCEDURES**

In enhancing educative and fun experiences for children, Gordon OHSC may provide Regular Outings. These Regular Outings may include visits to nearby parklands, playgrounds and/or recreation facilities. Risk assessments specific to any Outing will be completed and made available to parents and authorised nominees if required.

Where parents/guardians are unwilling to permit their child on a regular outing, Gordon OHSC may provide another option such as split groups, or an alternative Gordon OHSC Program. Splitting groups are only made available where ratios, qualifications and communication criteria can be met.

## **EXCURSION SPECIFIC INFORMATION AND PROCEDURES**

All Excursion specifics including activities, departure and arrival times will be made accessible to parents. Where departure and/or arrival times are outside our normal pickup and/or drop off times, this information is communicated to parents during the enrolment process for that specific day.

To ensure safety and comfort for children on excursions:

- Parents are expected to arrive at least 15 minutes prior to excursion departure time. This is communicated to parents upon enrolment.
- Buses will depart on time and children who are late will not be able to attend the program, as services are closed during excursion times.

Parents will be asked to ensure, that for each excursion venue, children have appropriate:

- *Clothing (including activity and weather appropriate)*
- *Footwear (including activity and weather appropriate)*
- *Lunch/drinks and snacks*
- *Sun protection*

Children who are unable to attend excursions will not be offered care on Excursion days as the service will be closed for the duration of the excursion. All Gordon OHSC Staff Educators are required at Excursions to maintain safe and appropriate ratios, qualifications and communication to accommodate breaking into smaller activity groups.

.  
\*\*Staff to children ratios on excursions vary from 1:6 to 1:15 depending on Gordon OHSC Risk Assessment and the deemed level of risk.
