

LEADERSHIP & SERVICE MANAGEMENT POLICY

This policy provides clear guidelines, expectations and commitments to the Training, Professional Development and management supervision of Gordon OHSC staff as they deliver OSHC services. This policy provides an organisational commitment for the:

- Training and professional development of educators in the delivery of safe, compliant and well-informed services.

STAFF TRAINING AND PROFESSIONAL DEVELOPMENT

Gordon OHSC requires all educators to attend and actively engage in training and professional development sessions. Opportunities for compulsory training sessions are offered across various times for educator convenience.

The People and Training Manager provides quality education and care training sessions to program staff. The educator training is based on three ongoing points of analysis:

- *Legislation and regulation (via communication with Gordon OHSC coordinator)*
- *Educator, family and children's survey/evaluation analysis*
- *Training Coordinator's observations and review of Gordon OHSC programs*

STAFF SUPERVISION STRUCTURE

Gordon OHSC is a Fair Work Place that values all staff, educators and volunteers as well as children and families. In a commitment to this, Gordon OHSC is structured in such a manner that all staff and educators report to a Supervisor with delegated roles and responsibilities. These lines of management are in place to support the learning, service excellence and safety within our programs for all children, educators and volunteers.

Gordon OHSC believes in continual assessment and evaluation of the program by management, educators, parents and children is an integral part of service planning and development. It is also critical to running a high-quality education and care service that meets community needs and the achievement of key learning outcomes for children.

Procedure:

- Children and parents will be offered an evaluation form/survey regularly throughout the year. Children and families are also welcome to provide verbal or written feedback to educators at any

time during the program. Such feedback will be documented in the Communication book or passed on verbally to the Coordinator/Director.

- A variety of survey techniques will be used with children, which may include informal discussions, a suggestion box, written surveys and group discussions.
- Educators provide regular feedback on all aspects of the program. Educators critically reflect on program experiences, day to day procedures, OH&S matters, interactions with children and service delivery, in general, to ensure that the service continues to reflect the needs of our community.
- All feedback forms the basis of future service planning and development.

Rosters and Pre-program Training:

Gordon OHSC's will ensure programs are rostered to meet the requirements of the Education and Care Services National Regulations 2011 with appropriate educator to child ratios and necessary educator qualifications.

- The coordinator prepares rosters based on legislative and compliance requirements. Each educator's qualifications, experience, skill, availability and the number of children booked into each program, determines the roster of each staff member.

Gordon OHSC is a Fair Work Place and as such commits to fostering and cultivating positive relations across all staff including, program staff and management. Gordon OHSC aims to create an environment where all staff feel valued and supported. Each staff member has the right to a trusted and supportive platform to raise grievances. In supporting all staff, this platform should provide a clear process for grievance resolution.

In respecting all staff, Gordon OHSC commits to resolve disputes, issues or concerns in a manner that minimises the impact on the service, customers and other staff members.

- Gordon OHSC seeks to promote through induction, training and general information the creation of an environment where open communication and discussion is encouraged.
- Where staff member/s and educators have complaint/s or grievance/s, they are encouraged to discuss the issue with the relevant staff member, educator or manager in the first instance.
- Where further action is required, or a resolution has not been achieved, the staff member/educator is encouraged to contact the Gordon PS council subcommittee (OHSC).
- Should the issue still not be resolved with the assistance of the subcommittee the matter will be referred to the school council. They will endeavour to support a resolution.
- Should a resolution still not be reached, the matter may be referred to an Independent Mediator.
- Any grievances received will be responded to within two working days wherever possible.
- All grievances will be handled in a professional and confidential manner.
- Every effort will be made to resolve the complaint satisfactorily.
- All steps will be documented to ensure that outcomes or processes can be evaluated and amended as necessary to inform continuous service improvement.

SERVICE MANAGEMENT PROCEDURES

Gordon OHSC is committed to maintaining up to date and relevant policies and policy implementation. The policy document is developed in line with State and Commonwealth legislation, industry regulations and practice, and current research on child development.

Procedures:

- Gordon OHSC provides all organisational policies to all staff, parents and/or guardians, as well as approved persons on request. (R185)
- The policies are reviewed on a regular basis, at least annually.
- Parents/guardians have access to our website and app at all times which outlines general program information, major policy areas and key aspects of the program so that families are kept informed of their responsibilities about the service. (R185)
- Any policy changes will be in line with the service philosophy, quality practices and to ensure the safety and wellbeing of children.
- Families and educators will be informed of changes to service policies through updates on Kidsxap.

The below-prescribed documents will be kept under Regulation 177 in accordance with the Education and Care Services National Regulations (2011)

- Child assessment documentation
- Evaluations of the program
- Incident, injury and accident reports and documents
- Medical records and documents
- Service assessments attendance records for both staff and children
- Enrolment records
- Records of the service compliance
- Record of the person in day to day charge
- Attendance record
- Written authorisations and Risk Assessments for excursions and regular outings.
